

MAN Diesel & Turbo has a vacancy in **Dubai** in the **After Sales** department for the earliest start date

## Team Leader (Spareparts)

We are looking for an internal candidate to fill in the position of a team leader for our Spare Parts Sales department at MAN Diesel & Turbo PrimeServ in Dubai.

As a team leader you will provide direction and guidance to your team of Technical Sales Engineers and Sales Coordinators.

### Tasks

- Managing the flow of day-to-day operations and making adjustments when necessary
- Ensure a successful on boarding and training of new employees
- Support the strategy set by MAN | PrimeServ Management team
- Effectively developing and implementing processes in the department
- Ensure to put great effort into motivating the team of Technical Sales Engineers and Sales Coordinators
- Conducts annual performance evaluation review with the team
- Responsible for effectively communicating management decisions to the Sales Engineers and Sales Coordinators
- Identifying key tasks and prioritizing them in terms of their value for MAN | PrimeServ

### Qualifications

- The ideal candidate should have technical background as a Marine Engineer or Mechanical Engineer
- Several years of work-related experience with leadership; Management training is likewise a plus
- Experience within sales and have worked within the maritime industry, it is an advantage but not a requirement,
- Ability to motivate and develop a team
- Able to thrive in a busy working environment and support knowledge sharing as a key to success
- Must have excellent English skills both orally and in written
- Good team player

MAN Diesel & Turbo is the world's leading provider of large-bore diesel engines and turbomachinery for marine and stationary applications. It designs two-stroke and four-stroke engines, gas and steam turbines as well as compressors.

The product range is rounded off by turbochargers, propellers, gas engines and chemical reactors. Customers receive worldwide after-sales services marketed under the MAN PrimeServ brand.

The company employs around 15,000 staff at more than 100 international sites, primarily in Germany, Denmark, France, Switzerland, the Czech Republic, India and China.

MAN Diesel & Turbo is a company in the Power Engineering business area of MAN SE.
